Phew! What a scorcher! The sun is out, the tide is in and the pebbles are like red hot fucking coals. Watching Tash strip down to the altogether took away the pain from our rapidly charring soles for a bit. But we were getting hot under the collar in other ways. "What's everyone looking at?" Tash scoffs. "This is the best way to stay cool!"

Fan-tastic

Thank you so much Escort for printing my photos in vol 30 no 2. It has done wonders for my sex life.

It was a nice surprise getting fan mail and I replied to everybody, enclosing some more photos.

I was so pleased I rang up my boyfriend Paul straight away and told him all about the sexy letters.

He said, "Just you wait till I get home. We'll read them together."

I could not wait and read them all over and over wanking and getting hornier. I couldn't wait for my boyfriend to get home.

I could hardly restrain

myself tearing his clothes off as we sat down with a bottle of wine to read the letters. My boyfriend smiled when he read one where the sender was describing his hard dick when he looked at pictures of me.

He bent me over the bath and fucked me till he spunked again.

I told him to go down and open another bottle of wine while I got changed into pink stockings with a pink thong.

My boyfriend knew he was in for a good night. He put me

Escort made my sex life great

He said he knew how the guy felt and stripped me. I got down on my knees, opened his legs and I put my hand through his flies. He was rock hard.

I wanked him and then sucked him and before he knew it he was cumming hot salty spunk in my mouth.

I got on top of him and we fucked and fucked till we both came together.

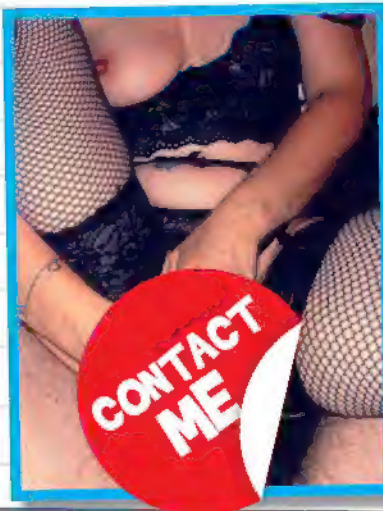

I went for a bath and Paul followed me up, reading letters to me as I soaked.

He watched me play with myself in the bubbles then got me out and dried me off, playing with my tits and clit and getting me started again.

on the coffee table and licked me out while I screamed for him to fuck me.

Like I said, thanks to Escort my sex life is getting better and better!

Teresa, Northampton.

Old man giver

My wife Kelly and I have taken to walking in the countryside looking for a secluded spot where she can strip off for my camera.

Our sessions always end with some al fresco fucking.

One day we were rutting away when I noticed an elderly gent hiding behind a bush.

I whispered to Kelly that we had an audience and she replied that she knew, that she had known for a while. I was surprised that she was so turned on by being watched.

"Do you think he is wanking over me?" she asked as we carried on fucking. "Would you like to see me fucking an old man? Will you let him do me Mark?"

"Wave him over," I said, "and see if he comes."

Kelly beckoned to him and sure enough, after some hesitation, he came over.

He stood wanking his cock in Kelly's face as I fucked her doggy style.

Kelly told him to come closer and asked me if she could suck his cock. I told her to go for it.

Dear Julia: As payment for a job a buxom young black woman offered me half the money and a blowjob. Ever the dirty bastard I gave her the cash back with the suggestion, "How about I lick, suck and fuck you in the cunt and arse, darlin', and we'll call it quits?" Three hours later I slurped up her final deluge of hot creamy cum and left her with my spunk oozing from every gorgeous orifice. I bet you've paid in kind before eh Julia?

Dear Julia: It was great to see Syren Sexton in your last issue. I've wanked myself silly over her on TV and now I've tossed myself stupid over her sexy close-up stills as well!

REAL WIFE SEX

Daisy, Weston-Super-Mare

New postie Daisy takes a special delivery of spunk in her box...

I have lost count of the jobs I've been fired from – usually due to fucking in the office, or being caught with my fingers in someone else's pie! So a few months ago I decided on a career move.

After a few days of thought, I finally applied and eventually got a job – as a postie.

Now apart from looking a total foxy little slut in the uniform, I have been having the time of my life – and usually before you have even woken up!

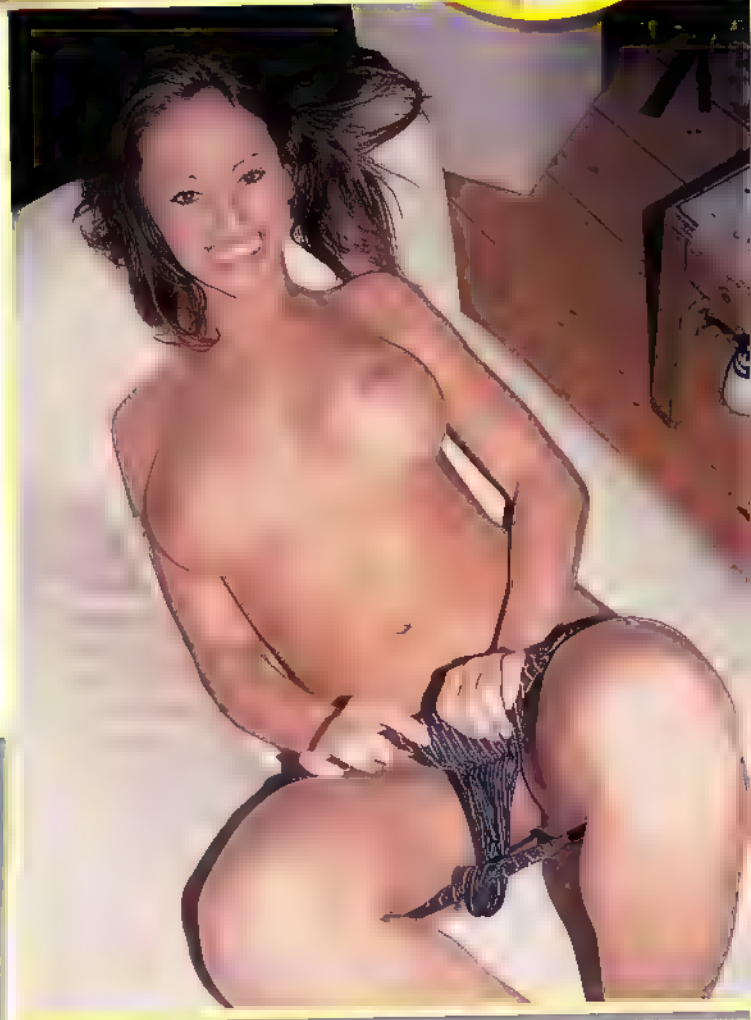

The intention of being a postie was that I was out of an office and therefore away from the temptations of juicy office cock. Well, that was my intention anyway! Anyone who knows me would have realised that it was never going to keep me away from cock – I have an unerring ability to sniff it out!

It all started on my second week on my round. Having a parcel that needed

a signature, I rang the doorbell of a Mr Johnson.

A very sleepy, sexy Mr Johnson soon came to the door. I felt a little tingle in my knickers as I eyed him up and down with delight as he stood there, just in his boxers. He had a body made for mine, smooth sun kissed chest, about 6ft and his dirty blonde hair was all messed up from sleeping.

Almost wetting myself on the spot, I noticed he too was checking me out. He was loving my

new uniform, especially my little navy blue shorts, and as it was a lovely day, I had rolled them up slightly too high, showing off my athletic firm, tanned thighs.

My PO shirt was unbuttoned one too many, just giving a peek of my cleavage and dark lace bra that matched my shoulder-length brown hair.

I followed his eyes as they traced me up

and down, and as I handed him his delivery, I gave him my dirtiest, flirtiest wink and smile.

I turned and walked off, swaying my delicious bouncy bottom down his path, knowing he was checking my every move. Success! He yelled out that he hoped to have a recorded letter soon!

I had to wait a few weeks until he had another one – it was worth the wait.

Both of my holes were royally fucked

As soon as I saw the letter, I rolled my shorts up further, my shirt another button lower. I smothered my lips in bright red lip-gloss and made sure my pussy was fresh, sweet and ready for the lovely Mr Johnson.

He'd made sure to keep his hot body unclothed for my delectation. I treated him to my best good morning smile, leaving him in no doubt what I had in

mind. Mr Johnson clearly got the hint, and opened up the door further as to invite me in.

Sliding past him, making sure my arse brushed against what felt like a hard member, I entered his house. Before I could think of anything sexy to say, I felt strong hands grip my waist. Turning me round, his full sexy lips kissed my neck and I felt his hand slip down to my arse.

I let out a whimper as he firmly picked me up. Wrapping my legs round his waist, I licked his lips with my tongue, before delving in. He tasted fresh, and as his tongue expertly felt around my mouth, my cunt swelled with want and excitement.

As he kissed me passionately, I ground my pussy against him and felt his cock

as his tongue delved deep into my pussy. My nerves were electrified!

Unable to take much more, I urgently needed his beautiful thick, large, cock in me. Bringing his head up to mine, and reaching for his cock, I guided it in my cunt – which by now was leaking by the gallon.

Easily slipping in, he began to fuck me really, really hard. He pounded me until I could hardly breathe. I grabbed on to his sweating muscle-bound back as his inches filled me to the brim.

His finger returned to my open arse pipe, and as both holes were fucked, I knew I would be cumming very hard, and very soon.

After a few more teeth-gritting pumps, I was unable to hold on a sec-

ond longer. I sprayed my pussy water all over his cock, down both our legs and over his expensive black silk sheets. The release was intense, and my body flopped back on to the bed in utter exhaustion.

After catching my breath back and waiting for my heart rate to calm, I reflected that I had never cum so hard in

I sprayed pussy water on his cock

my life. I almost thought I was going to have a heart attack – I realised he hadn't cum yet. The stud had expertly fucked me while still keeping his spunk ready to give me a good dousing.

Getting on my knees, bending over the

get fully erect. I could feel it was massive and thick – just the way I like them!

He put me down and led me through to his big silk-sheeted kingsize bed. Ripping off my shirt and grabbing at my tits, he bit them, making me scream as the pain mixed with pleasure shot through my chest.

The black silk sheets cooled my hot sweating body. The texture against my skin was sexy, encouraging me to wriggle around, losing my clothes piece by piece, until I lay there, at his mercy, naked and ready for him.

Clamping my ankles with his hands he firmly opened up my legs, exposing my ripe juicy pussy. Pleased that I'd just had a wax the day before, my pussy lips were smooth and sensitive. Cupping my own tits, squeezing my little brown nipples, his tongue licked my pussy lips and circled round my tight arse hole.

Freeing up one hand, his finger diddled my bumhole, very slowly easing itself in

Cougar time

Hello, it's Jo here, with a yummy orgasmic tale for you all!

I am a sexy, confident cougar at her sexual peak, totally uninhibited and open to new experience, but also very happy to indulge in anything,

or anyone I have found who gives me a filthy fuck! I have several lovers, all are addicted to my multi orgasmic abilities, and gushing when highly aroused. Let's face it, it boosts their egos by miles, and keeps them coming back for more!

The recent hot weather

has made me soooo HORNY, so I decided to take a trip to the coast with one of my harem, to experience, sun, sea and hot sex.

We were booked into a respectable guest house, but what we had in mind was far from it!

I know that Andy loves me dressed as sexily as possible – like most men, he wants to fuck a total whore.. Why not? I love sex and I love to please

My swearing makes him shoot his full load over me!

the man I am with.

Knowing I would be writing for you lovely readers, I had taken a selection of tantalising outfits, to expose myself to the camera, and so encourage your approval of my work!

Once in the hotel room I proceeded to strip. Andy smiled, my body glistened with sweat. My panties stuck to my already throbbing pussy. He licked my neck and cupped my breasts in his hands, tweaking the nipples, and sending waves of pleasure through me.

He pushed me on to the bed, pulled off my now sod-

Jo,
Oxon

den panties, and began to use his expertise on my oh so eager clit.

He circled round it with his tongue, parted my pussy lips, and probed deep into my soaking hole. I groaned as he continued, his hands gently caressing my huge nipples. This guy knows his stuff, and

is so willing to please!

He continued until my orgasm tightened my whole body, and a wave of hot cum swept into his mouth. He carried on licking and pleasuring me – three more orgasms swiftly followed.

His excitement was peaking so he mounted me and gave me a really hard fucking! Within several thrusts, my climax hit – he loves it as the tightening builds up to a vice-like grip around his hard, throbbing cock.

I moan and groan, we are both in pleasure city, oblivious to anything else. Somebody walks by our room, I cover my mouth, but still I can't stifle my cries of ecstasy! Oh well!

He carries on fucking me, orgasm after orgasm, my whole body gasping for breath! So fucking lush!

In doggy position he gets harder and faster, I cry out, "You dirty fucking bastard!" My swearing makes him shoot his full load, spunking all over my tight arse!

£120

We fall onto the bed, laughing about which little old granny heard our carnal activities! Fun, fun!

The pics turned out pretty damn hot! Judge for yourselves! And yes, he gave me another filthy pounding after the photo shoot!

Photo shoot

A guy came up to me in a club and told me he was a photographer and he wanted to take some photos of me. I was quite drunk so I thought, What the hell, let's do this.

At that point I never thought what my husband might think.

We got back to his apartment but he told me to be quiet until we got to his studio which was downstairs in a converted basement.

When I asked him if there was anyone else in the house he said that his wife was upstairs sleeping.

The photographer put on

some music and asked me to strip to my underwear. As I wiggled out of my tight black dress I could see he liked what he saw from the bulge in his trousers.

I only had on a suspender belt, a tiny thong and stockings under my dress and my pussy was dripping wet with excitement.

First he took some pictures of me facing him with my pert tits pointing at him.

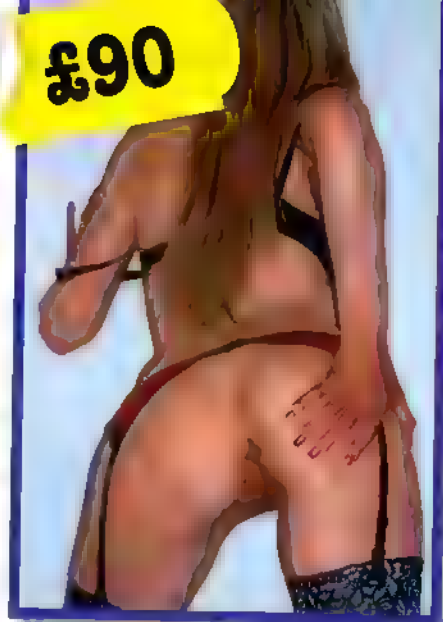

Second he stood me against the wall so he could

I couldn't help but put on a show for the photographer. I rubbed the beads against my pussy then turned over and shoved them up my tight arse.

I was making so much noise with pleasure he told me to be quiet in case his wife heard our moans. I couldn't believe this was happening – I was mad with lust.

I slid the beads in and out of my arse, my fingers pistoned into my pussy, the photographer wanked himself off. When we'd both cum I called a taxi and got home.

My husband was sound asleep and I felt guilty about what I had just done. I shoved it to the back of my mind.

It was about six months later when he showed me his copy of *Escort* (vol 29 no 7) and those very photos.

I thought my husband would go ballistic but he was actually incredibly turned on. He turned me over, spanked my arse and said, "You are a naughty little slut – the next time it happens remember to take me!"

Carrie, Edinburgh.

You are a naughty little slut, he said

get a shot of my arse. As I was facing the wall I felt the photographers' crotch rub up against my arse.

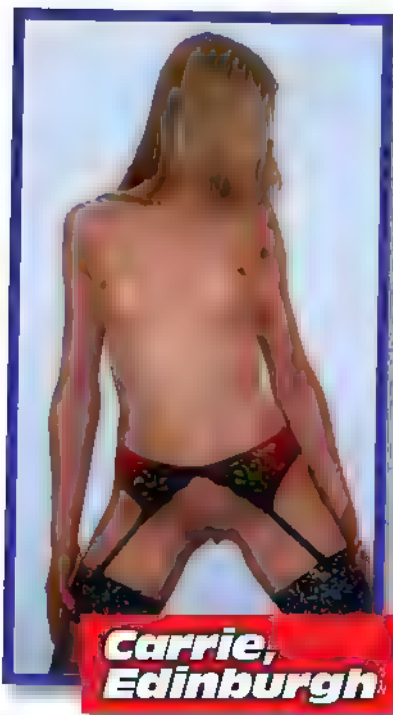

He told me I had the nicest pussy he had ever seen.

He took off his trousers and exposed his big dick. He asked me if I minded him rubbing his cock between my legs. How could I mind when I was turned on as this?

As he wanked his dick off against my pussy I told him to rub my clit too as I was going to cum.

After I came he did too, shooting his wad all over my arse.

After we cleaned ourselves up he asked for some more shots, this time using love beads.

ANN, NORWICH.
36DD, 45 years old My Favourite Dildo, p. 10. "My fantasy is for a first class fucking with a sexy stranger on a train!"

Ann (vol 29 no 8) needs to do a bit of mopping up in the cleaning cupboard at work!

Dear Escort,

Thank you for forwarding my fan mail to me -- it was such a surprise.

I honestly didn't expect to receive even one letter... yet I got 23... it was brilliant!

I'm very flattered that so many people got hard looking at my pictures.

It was a little embarrassing too however. I was on my way to work when my postman caught me in the street to give me my mail.

Oblivious to the contents of the large package I took it to work to open during my morning tea break.

I spent the afternoon cleaning the department store as usual, wondering what could possibly be in that envelope.

When my break came I took the envelope to the cleaning cupboard and, in amongst the mops, buckets and hoovers I ripped open the package.

A little too eagerly perhaps, as several smaller envelopes spilled on to the floor. I picked one to open, rapidly realising it was from an

Escort reader As I read it I got more and more engrossed in the filthy fantasy this man was telling me about.

I opened a few more, my cunt tingling as I read more fantasies, more invitations to suck and fuck. I lost track of the time.

Before I knew it my supervisor had come looking for me and was standing behind me looking over my shoulder, reading a hot and horny letter along with me!

I spun round, red faced, quickly stuffing the letters into my pockets. He was blocking the doorway and I couldn't leave.

He bent down very close to me, grabbed a handful of the letters and said, "Well, you gonna show me what everyone else is raving about?"

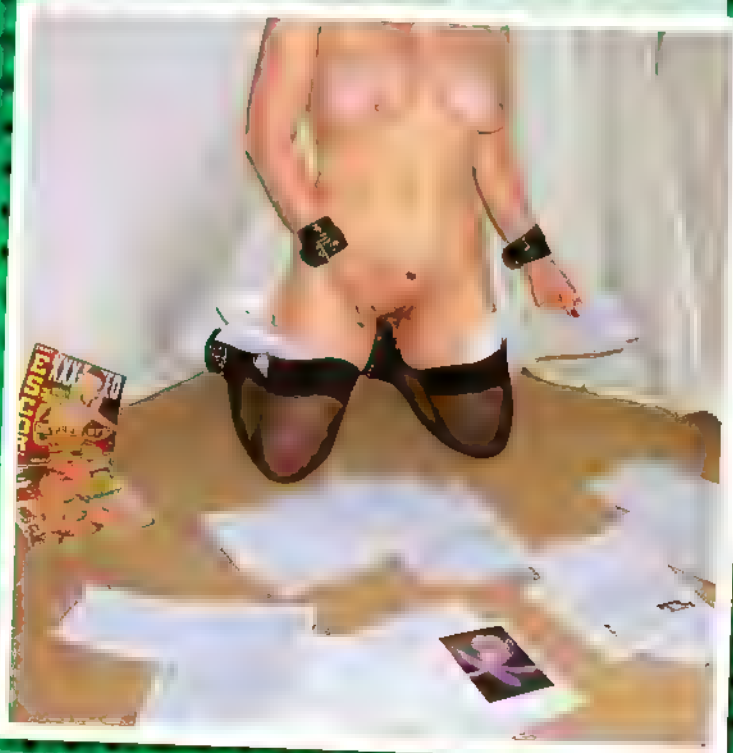

There's always been a spark between us so I thought, "Why the hell not?" and lifted my T-shirt up to show him my ample tits. He grinned and lunged at them, licking and sucking each nipple.

His hand tugged my short skirt up over my thighs and pushing me back against the sink he unzipped his trousers and unleashed his huge stiffy.

Wow! I was so turned on from reading those horny letters I dropped to my knees and gave my supervisor a super sucking gob job.

Then he bent me over the sink and gave me a good hard fucking doggy-style. It was the most fantastic tea break I've ever had! If it hadn't been for your kinky mail, readers, I would never have got laid!

REAL WIFE SEX

Daisy's story continued from page 19

MALE STRIKE PLAN!

I couldn't believe it when he confessed to sending the recorded delivery himself as he was so desperate to see me again.

Glad I had made such a good impression, I managed to find my uniform and carry out the rest on my deliveries. It wasn't long before I noticed another letter for him.

bed, I worked my arse with a mix of my spit and pussy juice, ready to take his massive veiny cock, slick with my fragrant pussy juices.

I'd never had that much up my backside before, but I've always liked a challenge, especially during working hours! With both his and my index fingers working it, it was soon relaxed enough to be filled with cock.

He eased in, being careful not to hurt me. After a few gentle pushes he was half in and that sexy fucker built up a rhythm, stronger and deeper with each push. The sensation of so much cock up me was amazing, and I knew it was my lucky day and I'd be cumming again.

He was soon even deeper in me, and I was gripping the sheets, pulling them off the bed corners. I pushed back

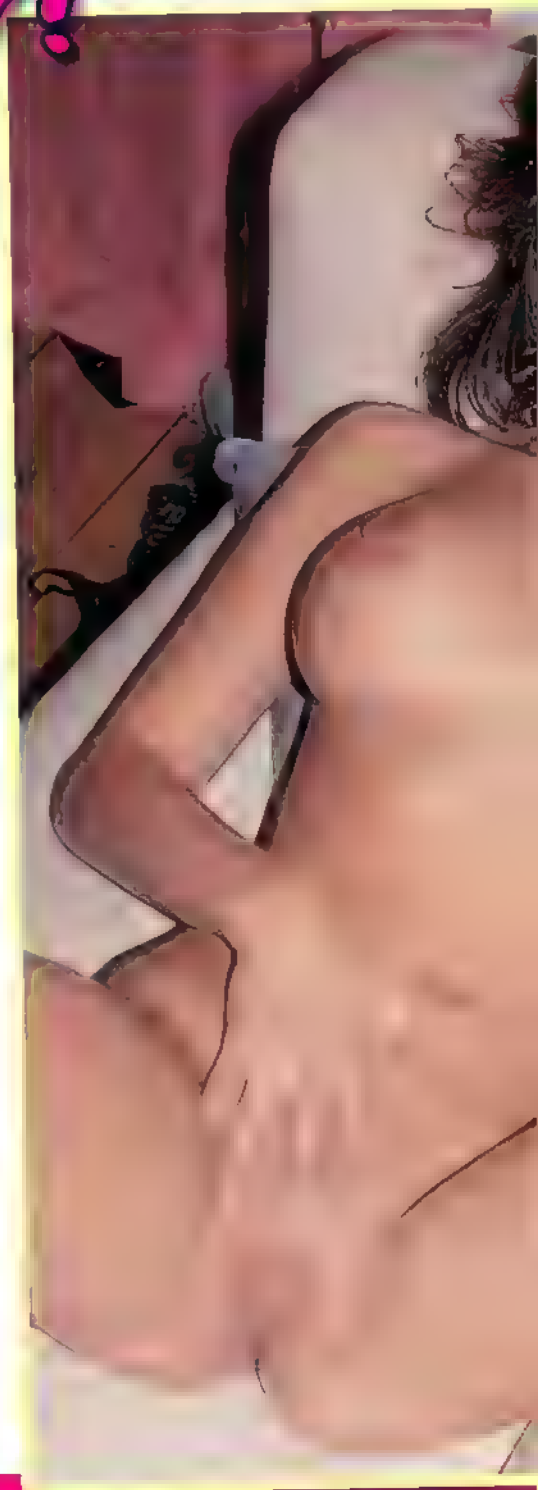

on him, inviting him to fuck me harder. I could feel his balls twitching and again, I was sent over the edge, cumming hard and making even more of a mess!

Knowing he had made me cum again was enough to make him take his turn and he shot hot, thick, creamy cock-juice deep inside my arsehole. As

**I knew this was
my lucky day**

he pulled out of me the delicious cum dribbled down my thighs like sweat.

For the second time that morning, I collapsed back on the bed – weak but extremely satisfied. I sucked up the tasty salty strings of jizz clinging to his dick.

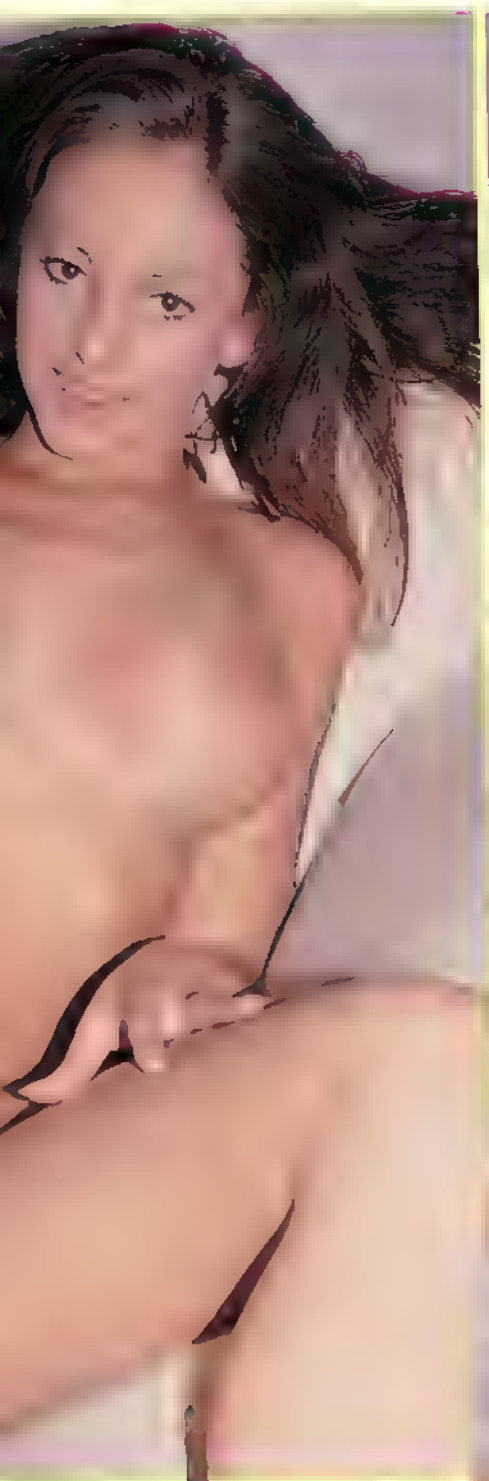

He doesn't need to send himself letters now – I told him to spend his money on getting me sexy underwear not stamps!

So most day while most of you lucky readers are tucked up in bed, I'm pounding the pavement, before getting a pounding from my Mr Johnson.

I can't think of any other job that offers this amount of satisfaction, especially when I pop in when I've finished my round as well! ☺

You could certainly have a good life with mucky Margo, who is the most self-sufficient girl we've met in a long time. "I go to the allotment to grow all my own veg. I love getting my hands dirty with my boyfriend, and I don't just mean chitting my spuds. We go into our shed and have a good fucking among the tomato plants." Well, if she squashes them she can always use them for chutney. "There's an old bloke on the allotment who keeps watching us and making funny comments. I want to tell him, just join us you dirty old goat! You can stick your prize cucumbers in here!"

Strap in tight

These photos of my fiancé Becky were taken just before one of our mammoth sex sessions.

Becky loves sucking my cock. She has the very best technique you can imagine. I had just come back from work and when I walked through the door she was sitting on the stairs.

She was dressed in a black basque and flaunted her sexy, beautiful 32D tits. She also had black stockings and black leather boots on.

She had her legs open and was rubbing her lovely, wet, shaven snatch. I could hardly believe my eyes – she looked the dirtiest, most fuckable slut you could imagine.

I couldn't do anything but rub my hard-on through

Becky, Newcastle

my jeans, watching as she pushed three fingers in and out of her sopping wet hole. I got my cock out and started wanking.

As her breathing got faster and heavier I had to take her upstairs for a good fucking. She readily agreed to this. In the bedroom I made her kneel down in front of me.

I put my cock in between her gorgeous round tits. I especially love this because as she tit-wanks me she licks the tip of my bell-end.

After enjoying some of that action for a while, I guided my rock-hard cock into her mouth. She took my entire length down her throat without blinking.

She gives the best deep throat that any man could wish for. She sucked me off for about five minutes but I had to make her stop before I came.

Then I lay her back on the bed and sunk my rigid shaft deep inside her. I started to bang the life out of her

as hard as I could. She loves a good hard rearming.

I could feel her cumming underneath me, so I turned her over and eased my cock up her tight arsehole.

She twitched and squeezed her muscles as I started pumping.

I couldn't last long fucking her dark hole. I pumped a stream of hot spunk up her arsehole and all over her arse

Wanks a lot

I woke up one morning ready for a good wanking session.

I pulled the bedclothes back and spread my legs wide. I was in the middle of giving myself a good seeing to when I heard something at the window.

It was the window cleaner! I had forgotten all about him coming round that day. As I hadn't closed the curtains he got a good view of me with a big dildo inside my cunt.

It was too late to try and hide what I was doing, and besides it made me feel horny to know he was watching me, so I decided to put on a bit of a show.

mouth-watering bulge in his trousers.

His name was Tom, he was in his late twenties and was quite tanned. He followed me upstairs and I could feel his eyes on my arse as I walked in front of him.

When I got near the top his hand reached between my legs and felt my wet pussy. He told me I was a very sexy lady and he would love to lick my juices.

In the bedroom I lay on the bed and he picked up a vibrator with a cheeky grin on

his face. "Who's been a naughty girl, then?" he asked.

He pushed the vibrator inside me and switched it on. As it vibrated within me he slowly began to pump it. On each inward stroke, some of my flowing juices spilled out onto his hand.

Tom began to pump it harder and the more he did so, the more juice

splashed out of me. Then he took all his clothes off and his 8-inch dick stood to attention.

I reached out and took hold of it. It was so thick my fingers didn't fit all the way around it. I sucked his cock until Tom said he was about to cum.

I moved my head away so

He coated my face with his sticky cum

I have several dildos and vibrators of varying shapes and sizes. Starting with the smallest, I used each of them for a short while.

This made me quite wet, and the poor window cleaner

nearly fell off his ladder. I thought he had been out there long enough so I waved for him to come in.

I went downstairs and opened the front door. He was standing there with a big,

cheeks. After this she licked my cock clean.
It didn't take long for us both to be up for it a bit more. I was feeling incredibly horny and was ready for my own

hole to get a good return. Becky smiled – she always likes this bit – and bent me over, rubbing her hands up my spine to relax me. She massaged my buttocks

She wanked and fucked me good

and then tongued my arsehole while she reached around to wank my increasingly hard dick.

She grabbed her dildo from the bedside table and began to slip it up my arse.

When I was good and relaxed she started fucking me and wanking me at the same time.

She banged the arse off me until I came with her dick up my arse and her fist round my spurt- ing cock.

he could cum all over my face. After he'd coated me I cleaned my face with my fingers and then licked them clean.

While we waited for his cock to get hard again Tom used a really big dildo on me. He gently eased the monster inside me.

As soon as Tom was hard again he pulled the dildo out and replaced it with his cock. He was surprised that my pussy wasn't baggy after having such a large dildo inside it.

He told me he wanted to take me doggy. I turned round and he held me by the waist as he forced his cock into my cunt.

I screamed with each stroke and the louder I screamed the harder Tom fucked me. He said he was going to cum and I told him I wanted his juice inside me.

He rammed his cock deep and I could feel it throbbing as he came.

Now I get my windows done for free!

Diane, Lancs.

I would like to tell you about the first MMF threesome we ever had.

A friend of ours, Dan, came round to take some photos of our garden as he wanted to pinch some ideas for his own.

After he'd snapped around for a bit he went through them with us and went a bit too far on his camera – we clocked a picture of him nude. He looked a bit embarrassed and said that he had forgotten that was on there.

It got us talking though and he asked if we wanted some nude pics taken. I looked up at Debbie and saw she was up for it.

I started taking her top off and sucking her tits while Dan took pictures. Next her G-string came off and I began licking her pussy.

my wife's mouth. She sucked him for all she was worth.

Then I got Debbie on her

We shot our loads up her bald slit

She got me naked, straddled me and sucked me and as she looked into the camera she saw that Dan was naked too and playing with himself.

I put Debbie on the rug next to the sofa Dan was sitting on and started fucking her. Dan reached down and played with her tits while she wanked him.

Then he got on his knees and piped his hard cock into

knees and took her from behind. I felt great watching her get spitroasted.

Dan and I couldn't hold on any longer and we both shot our loads up Debbie's lovely bald pussy.

Now she would love to taste pussy for the first time so any bi-females or couples who fancy sucking on her slit please let us know.

Bobby and Debbie, Yorks.
